...and all in aid of Willen Hospice

Willen Hospice is a local registered charity (No. 270194) that provides specialist care for people whose illness no longer responds to curative treatments (also known as specialist palliative care). Working from their quiet lakeside building and grounds near Milton Keynes city centre the Hospice have to raise a staggering £11 per minute just to keep the doors open and rely heavily on fundraising events such as the Vintage Stony and Classic Stony Gatherings.
